ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on January 5, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter requiring attention prior to docketing.

EXAMINER'S ANSWER

NEW GROUND OF REJECTION

On January 1, 2008, an Examiner's Answer was mailed. The Examiner's Answer included a new ground of rejection, where claims 6-11 are rejected under 35 U.S.C. 101.

When a new ground of rejection is introduced in the Examiner's Answer, the Examiner is required to obtain approval of the Technology Center Director or his/her designee.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

(1) either vacate the Examiner's Answer mailed January 1, 2008, or revise the Examiner's Answer by acquiring the Technology Center Director's approval on such;

(2) have a complete copy of the revised Examiner's Answer scanned into the record if applicable; and

(3) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
